

## SUPPORTING COLLABORATIONS BETWEEN THE AMBIENT ASSISTED LIVING JOINT PROGRAMME AND LOCAL AND REGIONAL AUTHORITIES

### Workshops for regional representatives

Is your region looking for funding opportunities in the field of assisted ambient living and demographic change?

Discover the **Assisted Living Joint Programme**, a programme which funds projects aiming to enhance the quality of life of older people and strengthen the industrial base in Europe using ICTs.

#### WHEN AND WHERE?

- **October 18th, Valencia:** "Fostering exchange of experiences among European regions on the issues of assisted living and demographic change"
- **November 4th, Vienna:** "Raising the awareness of AAL JP activities and AAL JP projects and Fostering exchange of experiences among European regions on the issues of assisted living and demographic change"
- **November 27th, Brussels:** "Raising the awareness of AAL Joint Programme activities and AAL JP projects among European Regions".

#### OBJECTIVE:

To promote exchange of experience and opinion among representatives of local and regional authorities and to raise the awareness of the AAL JP among European regions (in particular on relevant policies, implementations of such policies as well as financing of AAL solutions).

#### WHY YOU?

Around 30 regional and municipal representatives and politicians and National representatives of the AAL programme with responsibilities in health, ICT, Social Services and Social and Health Care and 6 experts will attend to share experiences in AAL field. **This is an opportunity** to learn what is being done at European level to improve the quality of life of elderly people and analyse the potential implementation in your region or show your successful initiatives implemented in this field.

#### TRAVEL AND ACCOMMODATIONS:

Travel and accommodation costs for the attendance to this workshop are covered by the AALA through reimbursement to the participants (specific instruction will be provided to the participants).

#### ORGANISERS:

The event is organized by **Polibienestar Research Institute**, **Kveloce** and the **AAL Joint Programme**, with the support of **CORAL**, **AER** and **EUREGHA** networks.
