LIST

Who We Are

Main Research and Technology Organization in Luxembourg (+600 employees)

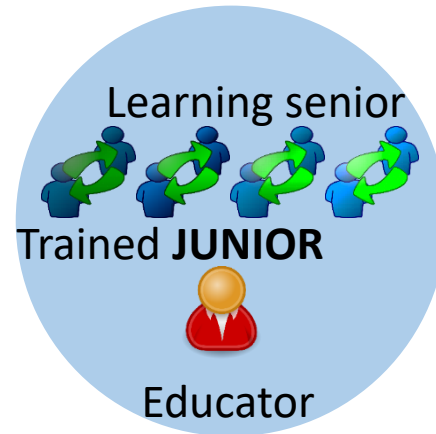

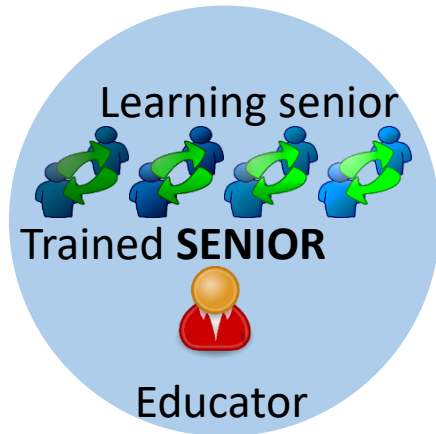

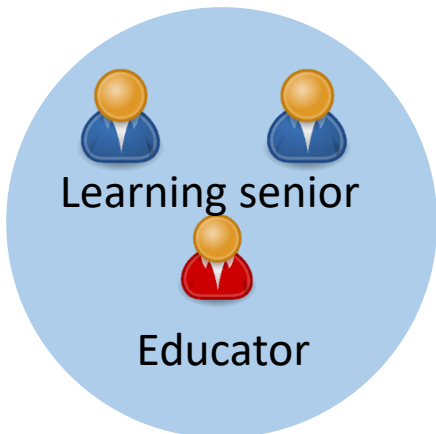

Fields of activity:

- Ecological innovation
- Digital innovation
- Materials innovation

AAL projects: LIFANA, MAESTRO, SPONSOR, MOTION, STIMULATE, MEDIATE

How to better engage senior in ICT world to increase ICT acceptance and digital inclusion? Project idea

LIST developed a Learning platform dedicated to children (6+) to start to learn electronics and coding.

- 1) Validate the market need
 - End user organisation in contact with senior
 - End user providing training / leisure activity to senior

- 2) Validate the business feasibility
 - Business Partner

- 3) Could this approach be a brick of a bigger project.

- 4) Validate the Prototyping feasibility
 - Senior Living labs?

- 5) Any one who wants to challenge me is welcome
