## **2. Call AAL-2021**

This report presents some statistics on the proposals submitted in the framework of the eighth call of the 2nd phase of the AAL Programmes entitled “Advancing Inclusive Health & Care Solutions for Ageing Well in the New Decade”.

The call deadline was on 21 May 2021 with an indicative total funding of 21.019.900 € that was committed by 15 national funding authorities from 13 AAL Partner States and the European Commission.

For the fourth time, the call allowed for more flexibility regarding the scope, size, and duration of the submitted projects by again including a type of instrument, namely the “Small Collaborative Project”. Consequently, two type of projects will be funded under this call: “Collaborative Projects” and “Small Collaborative Projects”.

In total, 94 proposals were submitted: 80 Collaborative Projects and 14 Small Collaborative Projects.

Below is an overview of the numbers (in terms of participants, geographical origin, and funding) on the 94 proposals, on the Collaborative Projects as well as on the Small Collaborative Projects. A more detailed report, with the statistics and numbers of the funded projects after the evaluation, will be produced and published in the last quarter of 2021.
