START YOUR INNOVATION PROJECT

Innosuisse primarily supports **science-based innovation projects conducted jointly by companies and research institutions**. We offer both parties a flexible way of getting started.

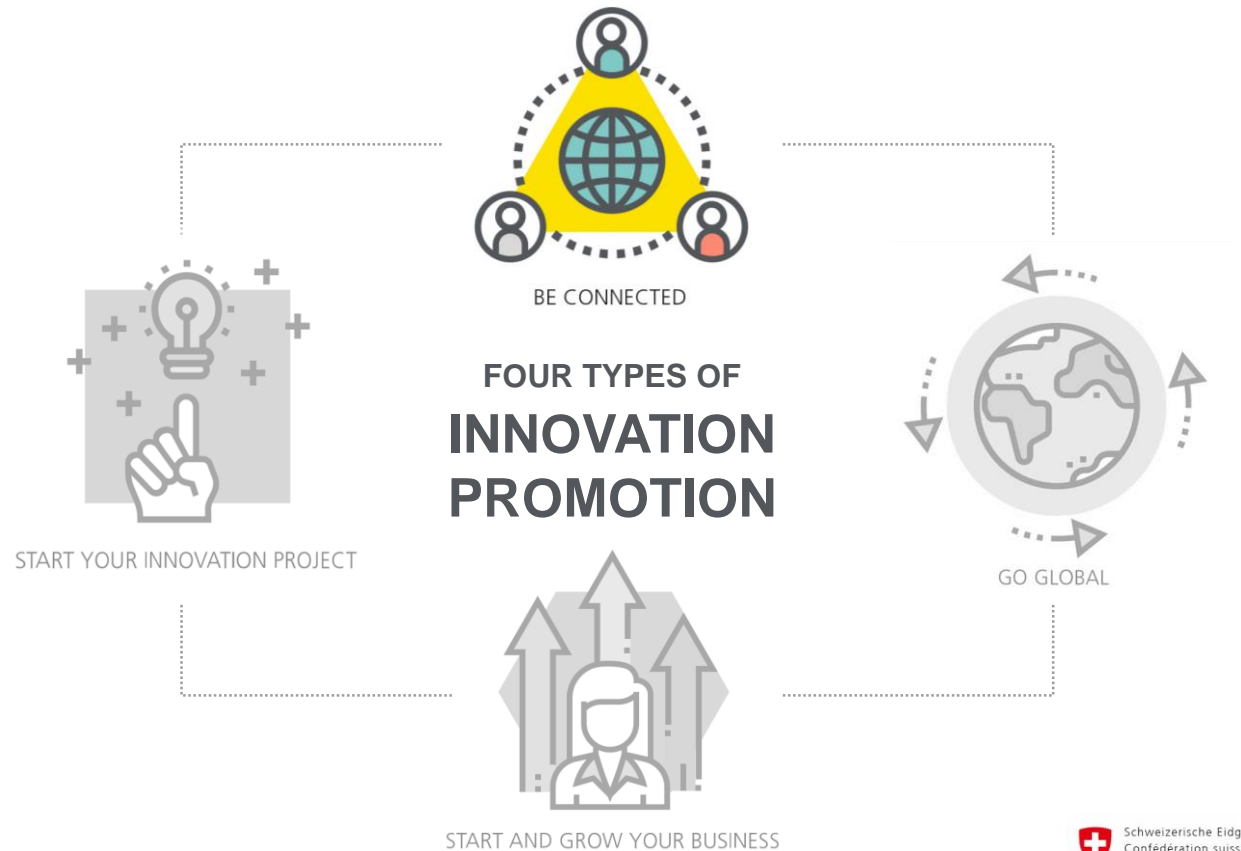

START AND GROW YOUR BUSINESS

Innosuisse supports entrepreneurial thinking through **targeted training programmes** and offers **personalized coaching** to start-ups and those interested in setting up a business.

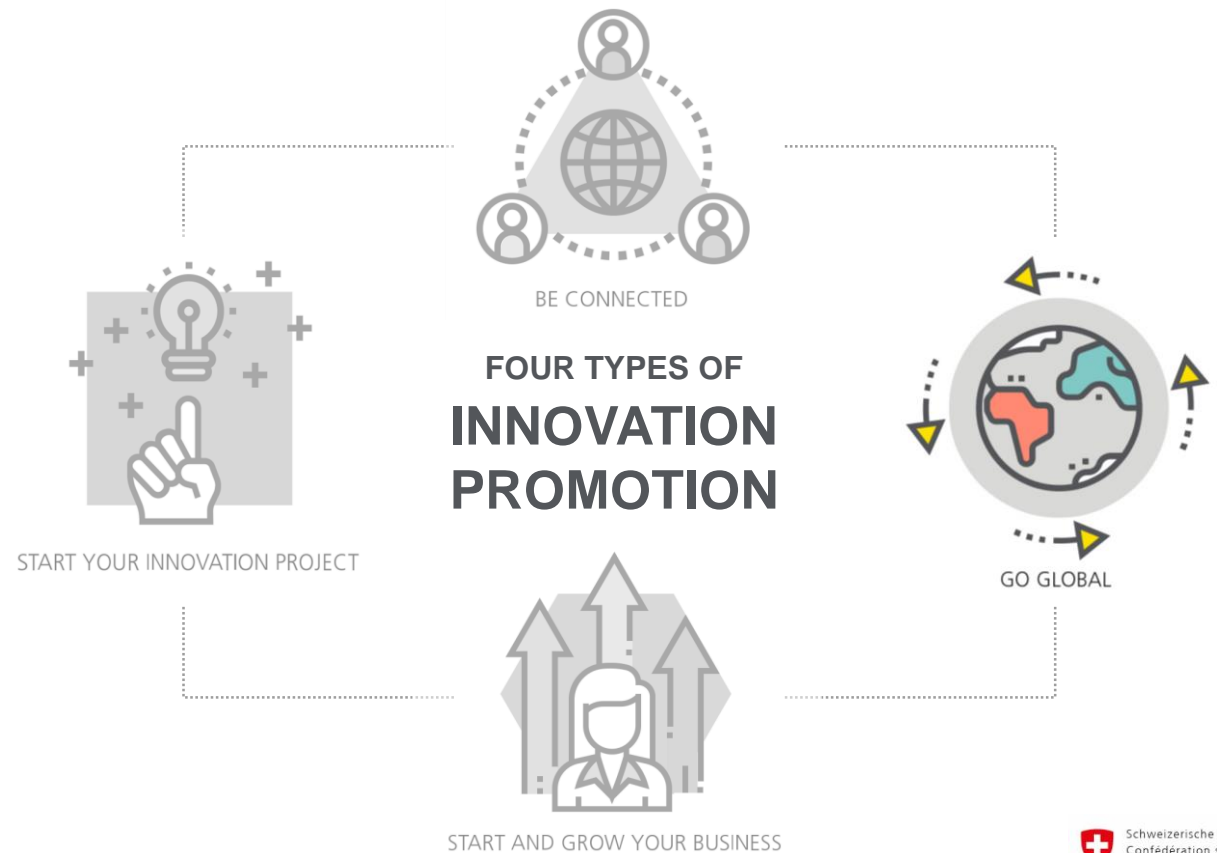

BE CONNECTED

Innosuisse engages **innovation mentors** and supports **networks and events** in important innovation fields in order to bring together Swiss SMEs and research partners.

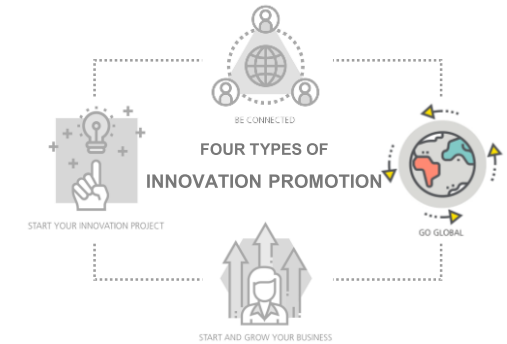

GO GLOBAL

Innosuisse helps companies work together **across national borders.**
